FROM THE BOARD OF DIRECTORS

The MCT Board of Directors wants to thank you for seeing this show! At MCT, our mission is to provide a creative outlet for the fine and performing arts in our community.

That doesn't happen with just one person. Countless hours from our directors, cast and crew have gone into making this show you're about to experience. But it doesn't stop there. Our year-round volunteers, donors and members are pivotal in continuing to provide shows and events like this.

The friendships that are formed through shows at MCT are life changing. There is a place for everyone at MCT. Whether you sing, dance, act, paint, build, sew, take photos, film video or more, we can use your talents. If you're looking for a

place to develop your creativity, then MCT is right for you.

But you can also support MCT in other ways. As a not-for-profit organization, we rely on donations from people like you to continue to grow.

So, we encourage you to join our monthly giving campaign Impact 100, make a one-time donation or join the MCT family as a yearly member. (You can find out more information on all of these on marshfieldtheatre.org!)

Thank you for coming and supporting this show. We appreciate your support and love being able to provide entertainment for our community.

Enjoy the show!

SYNOPSIS

It's 1959, and Rydell High School's senior class is in rare form. The too-cool-for-school "Burger Palace Boys" are stealing hub-caps and acting tough and their gum-snapping, chain-smoking "Pink Ladies" are looking hot in bobby sox and pedal pushers.

The 1950s high school dream is about to explode in this rollicking musical that is both an homage to the idealism of the fifties and a satire of high schoolers' age-old desire to be rebellious, provocative and rebellious.

At the heart of the story is the romance between hot-rodding gangster Danny Zuko and the sweet new girl in town, Sandy Dumbrowski. They had a secret romance in summer, but now back in the context of school, peer-pressure and cliques make their love a bit more complicated. Can Danny maintain his cool dude status and still get make demure Sandy his girl?

The whole gang sings and dances around Danny and Sandy's romance, through such hit songs as "Greased Lightnin'", "We Go Together", and "Mooning", recalling the music of Buddy Holly, Little Richard and Elvis Presley that became the soundtrack of a generation.

Starting off with an eight-year Broadway run, Grease is among the world's most popular musicals and has a cult-like following, especially among teens!
